## Pedagogy:

activities focused on learning...

'Pedagogy embraces an essential dialogue between teaching and learning'

(Beetham and Sharpe 2013:2 cited Brown 2015:21)

Today's colloquium aims to:

- i. Recognise faculty's perceptions & practices regarding pedagogies.
- ii. Discover different pedagogical approaches faculty would like to try.
- iii. Determine the support (training, materials, resources) needed to implement the approaches identified in ii).
- iv. Gain commitment to try out one different pedagogical approach during the remainder of the semester.
